FREQUENTLY ASKED QUESTIONS:

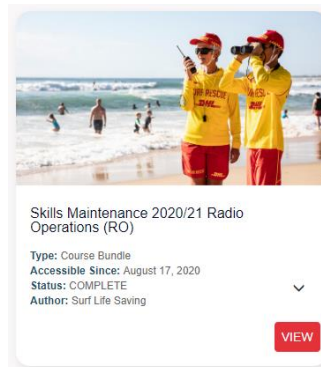

1. Do I have to complete each section in my course bundle?

A: Yes - you must complete each module (including the theory questions) before you will receive a Certificate of Completion.

2. I am only required to do the “Skills Maintenance 2020/2021 Radio Operations (RO)” but I did not get a Certificate of Completion, what do I do?

A: You can take a screenshot to show that the module has been completed for your CTO. Alternatively, CTOs should be able to access a report in the background to show them what members have completed.

Eg

3. I have my Radio and First Aid awards. Which Skill Maintenance online theory do I need to complete?

A: Both “Skills Maintenance 2020/2021 Radio Operations (RO)” and “Skills Maintenance 2020/2021 Resuscitation (Resus)”.

4. I have accidentally started the SRC course bundle when I should be doing the Bronze bundle. Do I have to restart?

A: No – the units are interchangeable between bundles and you will not need to re-complete the same unit if you start a different bundle (also the same if you complete the “Skills Maintenance 2020/2021 Radio operations (RO)” and then decide to complete the Bronze Medallion bundle.

5. How long will this take me to complete?

A: SLSA suggests that it will take a member around 1 hour to complete the Bronze Medallion bundle. As most of the included information should not be new to a proficient Bronze Medallion holder, SLSQ believes it will take you far less time to complete.
