### **Clayton Schilg—Lifesaving at its Best**

At approximately 2pm on 9 January 2020, Clayton Schilg and his friend Harry went down to Wooyung Beach for a swim. They were only down there for 5-10 minutes when Clayton noticed six people being pulled out in a rip. Clayton had been swimming and body boarding at Wooyung for nearly two weeks and knew they would need to be strong swimmers not to be in big trouble.

Only a minute later Clayton heard them shouting for help. Witness Stephen Watson said he saw Clayton immediately run up the beach to grab an old blue foam surfboard Stephen himself had found washed up on the beach some six months ago. Stephen had written for “emergency use only” on the board and it had been used in a few rescues since.

Clayton grabbed the board and ran back to the water and yelled to Harry to use his mobile phone to ring his Dad and to get assistance. About 30 metres out Clayton passed two of the swimmers that had managed to get back onto the sandbank and were making their way independently back in. They said they were ok so Clayton paddled on.

Clayton saw the second group out past the second sand bar, they were now screaming for help, so he paddled out another 30 to 40 metres to them.

The four swimmers were all spaced within a 10 metre radius. Clayton went to the swimmer who looked to be the most in trouble, Ben Jeffery. Ben has since explained that he was just about to give up. He had taken on a lot of water and was struggling to get any air. Ben grabbed the board and Clayton yelled out to the others to swim the five or so metres to him.

Things turned bad when one of the first swimmers to get to Clayton grabbed him in complete panic and started climbing up Clayton to get some relief. Clayton’s training kicked in and he used the techniques taught in his SRC Course to get free.

Clayton helped Ben onto the board and told the others to hang on to the board. There wasn’t enough room so Clayton got one of the swimmers, Ben’s brother, to hang on to his waist.

Clayton called for everyone to kick but they couldn’t, they were all completely spent. While hanging onto the front of the board and Ben, Clayton started to kick towards the shore. It took about one to two minutes to get to the outer

sand bank and Ben’s brother let go and made his way in. Clayton and the other three swimmers couldn’t stand up as the sand kept shifting.

Clayton had to start kicking again, heading for the shore. The others still couldn’t help. In the wave zone, Clayton kept the three swimmers together on the board through a few dumping waves knowing that if he couldn’t control the nose of the board they would all flip, roll or nose dive.

Clayton moved the board into the gutter but was still about 30 metres out and still in fast moving water. He managed to ride on the back of a few waves moving as much as he could to the side of the rip. He kept kicking and talking to the guys on the board letting them know they were going to be alright. Finally they got to about chest deep water when another person came out and helped Clayton pull in the board.

Clayton got Ben to the high water mark and put him in the recovery position while someone called for an ambulance. Another man came over and mentioned that he had his bronze and helped Clayton monitor Ben until a registered nurse came to help.

Ben was taken to Tweed Heads Hospital where he stayed for almost a week while the doctors sorted all the issues that had developed from the amount of water that Ben had swallowed.

Witness, Stephen, contacted the club, stating he was amazed that Clayton took complete control, didn’t panic and knew what to do every step of the way, not only in the water but on the beach as well. Stephen believes that without Clayton’s actions, lives would have been lost.

While this rescue would be outstanding for an experienced lifesaver, it is astonishing that Clayton, 14 at the time of the rescue had only joined TH&C and gained his Surf Rescue Certificate in 2018 travelling down to the club on weekends from Brisbane.

Clayton, a very humble hero, gave credit to the Club for giving him lifesaving skills when he completed his Surf Rescue Certificate and did rescue scenarios. Our trainers are all volunteers and spend countless hours teaching lifesaving skills to our members.

Congratulations to Clayton, his family and also to Chief Training Officer Rob Walters and his trainers!

## **PRESIDENT'S REPORT**

Well season 2019-2020 will probably be known as the season that was cut short for all of us by Covid-19. Despite this our 109th season has been filled with a lot of positives for the club.

If we all cast our mind back to the last off season our members were handed the highest accolade possible in being named Qld and Australian Surf Lifesaving Club of the Year for 2019. This was a true reflection of the work that has been done by our members for over 100 years now.

Since then our membership stayed pretty well in line with the previous season.

Total membership 863 down from 890

Nipper Membership 321 down from 343

Active membership 217 up from 215

These Active Patrolling members have again ensured that our core goal of keeping our flagged area fatality free has been maintained. Thanks again to all of our members whom have volunteered their time this year. Thanks also to our training team who by February had already added 30 bronzies and 29 SRC qualifications to our team.

We can all be proud of the work done by our training team as they and member Clayton Schilg were both recognised by SLS NSW for the work done by Clayton in January whilst on holidays at Wooyung Beach rescuing 4 members of the public. Clayton (14) has been awarded the rescue of the month for NSW and the training team have been congratulated for their involvement in his training. Well done on behalf of the club.

Well done also to all of the kids who participated in Nippers this year, I hope fun was had on Nipper Sundays. The Nipper season was unfortunately cut short and the state carnival cancelled for the year. This was particularly frustrating as we had our kids firing and were hopeful of some great results.

Thanks to all of our coaching staff for their involvement again this year. Jason Barker, Calum Taylor, Kane Hayley and Mariah Jones.

Thanks also to all of the volunteers who gave up their time to ensure that our kids had as much fun as possible. Congratulations to Vaughn and his team for another great season and thanks to Vaughn who is hanging up the pink shirt after 8 seasons as Nipper President. Well done and thanks on behalf of the club.

Our Youth have also been busy with regular events throughout the year and we have been really successful with our retention rates of these kids. Thanks to Sam O'Rourke for her work in this area.

Our senior competitors were also robbed of their end of season carnivals with State, Aussies and Worlds all cancelled. Despite this we still managed some highlights.

Our masters pool rescue team defended their Australian Pool Rescue title winning this title for a second year in a row.

Congratulations to Mariah Jones, Leah Jones and Chantal Luxton who all went on to represent Australia at different carnivals in pool rescue.

We also hosted the Point Danger Branch carnival this year and it was such a success that they have booked again for next year. Thanks to all of those who helped out.

Congratulations also to our board riders who after protests and recounts were finally handed the trophy for the Branch Surfing titles. Well done to all involved.

We have also been very busy off the beach. We have now transitioned to a Gold Coast City Council lease which helped us to secure the land at the rear of the club.

Our building committee has had a busy time on a number of projects including the beautification of the rear of the club, the construction of the new storage shed and most currently the renovations of the male change rooms.

We are going to start next season with some much improved facilities thanks to the work of Dave Peate and Craig Hickling.

The project at the rear of the club has been able to be completed thanks to a grant for \$107k from Sport Australia and the remainder has been done through cash flow without any additional borrowings. Thanks very much to Marty and the team from the Greenmount Surf Club our Supporters Club for again supporting our club and helping us to finance some of these projects.

We have also been able to source the following equipment this year through other grants sourced by the club that we hope will all be ready for the new season.

- New tractor ordered ready for delivery for next season
- New IRB motor ready for next season
- 2 new defibrillators ready for next season
- 2 new rescue boards ready for next season
- 2 rescue manikins for use in training next season

Thanks also to the special group of people known as our "Old Boys" who have again this

year provided a workforce whenever required and also helped out with the purchase of important training equipment. Thanks guys

Finally Thanks to the Board of Management, the Helens and the crew at Point Danger Branch who have also contributed to the success of the club this season.

David Fuller  
President

## **VALE**

The Board of Management of the Tweed Heads & Coolangatta Surf Life Saving Club extend their thoughts and deepest sympathies to the families and friends of the following members and supporters we have lost during the past season;

Lawrence "Laurie" O'Toole  
Andrew "Dickie" Sullivan  
Alan Brown  
Glen Beanland  
William Alder

## **DEPUTY PRESIDENT'S REPORT**

Well, what a mixed year we had; starting with Queensland and Australian Club of the Year, our Masters Pool Rescue Team taking out the point score for the second year in a row at the Australian titles to finishing off with restricted patrols due to the Covid 19.

Congratulations to our Masters Pool Rescue team winning the Australian overall point score by 64 points. 3 world records were broken along the way by Adam Moore, Lisa Ferguson and Ruth Kemp. Also, the team broke 11 Australian records. Well done everyone!!

Congratulations also to Mariah Jones representing Australia in Germany and Holland at the German and Orange Cup and Leah Jones and Chantel Luxton also representing Australia at the Festival of Lifesaving in Leeds, England.

The Club held its first full carnival in quite a few years, being the Senior Branch Titles. Thanks to everyone who helped make it a success and they have been booked in again for next year.

Although the surf sports season was cut short, I would like to acknowledge all the time and effort put in by our coaches and competitors.

Thank you to the grant writing department at SLSQ for their assistance with a grant application for a new tractor. The application was successful with the tractor due to arrive early June.

Once again the Federal Beach Safety Equipment Fund was used to purchase a new IRB motor. This enables us to turn over our motors regularly.

We were really fortunate to receive these grants this year as funding will be harder to get in the future due to the Covid 19.

I would like to thank all the patrol members for their efforts throughout the season on keeping our beach fatality free and safe for the public.

Special mentions to Dean Iwanuscha and Chris Van Doorn who covered for our Brisbane members who could not make their patrols due to travel restrictions.

I would like to personally thank Kerrie Barnes from Point Danger Branch for all her assistance and patience over the last 20 years and wish her all the best for the future in her new role at SLSQ.

Rod Jones  
Deputy President

## **DIRECTOR OF SURF LIFESAVING'S REPORT**

Season 2019/2020 commenced with TH&C SLSC named as the SLSQ Point Danger Branch, SLSQ and SLSC Club of the Year for the 2018/2019 season. This is testament to the continued good management of the Club and the positive direction that the Club is heading futuristically. At the conclusion of the season we had 218 Active Members (Cadet, Junior and Senior). This was a decrease of 0.45% (1 member) on season 2018/2019. We also had members in the Active Reserve, Award and Long Service category assisting with patrols throughout the season.

On behalf of the Club I would like to express thanks to all the members who contributed to patrols throughout the season regardless if a member completed 1 hour or 100, every volunteer hour was appreciated. We would like to particularly note those who volunteered on public holiday patrols.

Congratulations are extended to Clayton Schilg – a cadet member who performed an outstanding rescue in the Christmas school holidays. It is pleasing to see that the skills that our members – both young and old learn are being used to save lives. Thanks to the training team – Rob, Debbie, Daren, Chris and Rod for their efforts in training our members to be ready to respond to emergency situations.

Throughout the season a number of members gained new awards 33 Bronze Medallion, 7 ART, 14 First Aid, 14 IRB Crewperson, 32 Radio Operators, 17 CPR and 3 Beach Management.

Patrols were kept busy this season with 68 909 beach visitations, 37 first aid cases, 240 marine stings. Coupled with 74 preventative actions and warning 1622 people. We also performed 4 rescues throughout the season (1 in October, 2 in December and 1 in March). There were some changes to patrols at the latter half of the season due to the Covid-19 Pandemic. This created some challenges for the Club due to some roster changes and the closure of our beach to the general public. The patrol members adapted to this change well, maintaining a surveillance patrol throughout this time.

This season we were also successful in gaining grants towards the provision of equipment for the patrols including \$3000 from QFES/SLSQ Sustainability that we used to buy additional uniforms, loud hailer, binoculars, tourniquet kits.

Beach Safety Equipment Fund - provided money to purchase and IRB motor.

Gambling Community Benefit Funds – provided funds to purchase a tractor.

Thank you to the leadership of the board of management for a successful season at TH&C and thank you for the opportunity to represent the club in this role.

Jy Taylor  
Director of Life Saving

## **FROM THE TRAINING ROOM AND IRB SHED**

Hi Everyone and welcome to the Annual Report for 2020.

The training team and IRB section were on a role this year, plenty of training happening and scheduled, the craft all operational, the motors all running well, and then the rug was pulled out from under us and everything was moth-balled. This was a bit of a culture shock as we all enjoyed each others company on Patrols and pottering about the Club House

Despite the gloom at the moment, we had a pretty good year going. The Supporters Club were going well, with plans being unveiled for another stage of the building development thanks to the efforts of Dave Peate, Craig Hickling and the Board of Management and looked good. Training was underway and looked like being busy with the September school holiday intensive SRC/Bronze course on the horizon. We have had an exceptional year regarding the reliability of our Outboard Motors. They performed very well all year with no breakdowns, except for the replacement of one motor stop switch, which did not effect our readiness. One of the craft suffered an injury which was quickly repaired, while it was discovered that our beach only trailer was damaging the new Class 1 Thundercat because the craft did not fit correctly. This is being addressed as we speak and may be sorted by the time we hit the beach again.

The training team and IRB section has had great support from the Club. Rod Jones has been very busy obtaining grants for the purchase of equipment (e.g.) New boat, New motor, and we are very grateful for this. The Board of Management, capably lead by Dave Fuller, always support our Training and IRB needs, having recently purchased us an IRB Surf Rescue manikin to help us with our IRB training, thus taking the stress out of our live dummies. We are all very grateful for this.

The TH and C Old Boys Association, as always, have shown great support for Training and they also recently purchased a second Surf Rescue Dummy for our IRB training, Chirpy, Spud and the rest of the Boys are saints and we cannot thank them enough.

Over the past couple of years they have purchased Training Defibrillators, Training Shirts, Data Projector, Projection Screen which we put to good use.

We have had great support from the Board of Management and we wish to thank the management team for this support and the capable manner in which the club is being managed. Catering for Patrol lunches was also very good this year and greatly appreciated by the members

Special thanks to Norm Mavor and Bill Catlin and Glenn Turner for everything that they do around the club that not many people know about, wonderful effort guys.

Big thank you to all the IRB drivers and crew who have been kind to our craft during the year. The boats were used but used responsibly. Thank you also to the Helen Carter and Helen Doyle, our admin ladies, for all their support behind the scenes on behalf of the training team, the paperwork never goes away.

Very big thank you to all the Patrol Members who have performed well throughout the year, especially my Patrol, Patrol 12, I missed all of your smiling faces and company during the last few months of the season and miss Colleens fresh cooked Brownies that she supplied to our patrol. Yum!

Lastly I would like to thank our Training Team, Daren Healey, Chris Van Dorn, Deb Scotman for their commitment and effort, could have not done without them. Daren had to pull out of training for the last few months due to health issues, however he has told me that he wants to come back into his Vice CTO for the new season, which is great news

So that is that for the year, respect each other and stay safe.

Rob Walters  
CTO/IRB Captain.

### **DIRECTOR OF PROPERTY & AMENITIES REPORT**

Another year has passed and further progress has happened to move our great Club further forward in development in making our Club Queensland Club of the Year 2019, and more importantly Australian Club of the year 2019.

In my considered opinion, this is definitely through the direct efforts of particular people. Namely – Dave Peate, Craig Hickling, Dave Fuller, Vaughan Thomas and Rod Jones. If it was not for these members, these extensions would not have taken place.

With 3<sup>rd</sup> and final foyer extensions out the front to take place in the near future, it should make it a Club we can all be proud of.

Whilst the Club is closed, the opportunity has been used to get some maintenance work carried out, inside and outside and a lot of painting carried out on galvanising frame work.

The deck has been stripped and recoated, naming just a few.

We look out the back (which is really the front – vehicle storage area) construction, and it looks great, and should be complete by start of surf patrol season.

Vehicles: ATV is to be serviced and minor rust repairs carried out in the off season.

At the start of the patrol season, we have a new tractor which patrol people will need to familiarise yourselves with. For more information see Rod Jones.

A special thank you to John Murray for this continuous work.

That is all for me for now.  
Bill Catlin

## **BUILDING COMMITTEE REPORT**

We are finally starting to see some light at the end of the tunnel with the work at the back of the club.

At the time of submitting this report the concrete pavement has been constructed which leaves the following items still to be completed:

- Fencing panels and gates
- Geotechnical permeable paving system
- Electrical and plumbing fitout
- Landscaping

The project has taken a lot longer to complete than originally planned— some of this can be attributed to the current coronavirus pandemic and also to errors and delays caused by one particular contractor. The club is very fortunate to have engaged Billy Preston as our builder. He has accommodated all the delays within his busy program and has been great to work with – obviously putting the interests of the club first.

A big thankyou also needs to go to Craig Hickling who has committed a lot of his time to the work. His knowledge and skills in the building trade have not gone to waste.

Once again the Old Boys are providing tremendous support by committing to the construction of the paving and landscaping. The Old Boys have agreed to fund the landscaping works which represents a big saving to the surf club.

I have already been asked why the concrete paving does not extend to the shed and is not the width of at least the double gates. The reason for this is that impervious paving cannot be installed within the tree protection zone of the closest fig tree (a condition of the DA which must be complied with). However the permeable paving system can carry very heavy loads so it should do the trick.

Whilst the closure of the Supporters Club has done very little for our cashflow it has given the Building Committee the opportunity to undertake many projects that would have been difficult whilst the club was in operation. These have included:

- Roof flashing repairs
- Repairs to kitchen floor
- Painting of the structural steel
- Recoating and resealing the deck flooring
- Internal drainage work
- Repainting the bases to the tables on the deck

There has been a slight delay to the men's shower partitions due to availability of the laminate board. The partitions should be completed around mid June. The Building Committee looks forward to the opening of the new club facilities.

Regards  
Dave Peate

## **DIRECTOR OF SURF SPORTS REPORT**

The 2019/2020 season has certainly been one to remember! The season started with a bang. TH&C SLSC awarded the Point Danger Branch, Queensland, and Australian SLS club of the year. What an incredible achievement for all members and supporters involved. This momentum continued in the sporting arena for our athletes throughout the shortened season.

Although it was disappointing but necessary for the 2020 State and Aussie Titles to be cancelled, our club still has many sports highlights from the past 12 months to reflect on. These top achievements include world record performances by Lisa Ferguson in the 35-39 Women 100m Manikin Carry w Fins, Ruth Kemp in the 70+ Women 100m Manikin Tow, and Adam Moore in the 40-44 Men 100m Manikin Tow w Fins at the Australian Pool Rescue Championships. The masters pool team took out the overall point score for the second year in a row at the Australian Pool Rescue Championships. TH&C also won the overall point score winners at the Gold Coast board riding championships. Our Nippers placed 3<sup>rd</sup> overall at the Point Danger Branch Youth Championships, and 6<sup>th</sup> overall after three rounds of the Queensland Beach Series. These are some outstanding successes that we look to build on for the year ahead.

TH&C had 12 athletes selected into various representative teams throughout the season, this is the most we have had for several years. Lily Alford, Izzy Boucher, Cimarron Crawford, Michaela Evans, Jazmin Graham and Jacob Sands attended the QLD interbranch championships as part of the Point Danger Branch team. Lisa Ferguson, Mariah Jones, Chantal Luxton and Adam Moore represented their respective states (Bronze of origin) at the Australian interstate pool championships, with Elizabeth Rudland also selected as a draft competitor. Leah Jones and Chantal Luxton were selected in the Australian Development Team to compete at the Commonwealth Lifesaving Championships in the UK, while Mariah Jones was again selected in the Australian Lifesaving Team to contest the German Gup/Orange Cup. Congratulations again to all these members on their achievements.

In February, our club successfully hosted the PDB senior champs. It was a great carnival, the beach events were held in the evening under lights providing a great atmosphere, followed by perfect conditions at Greenmount the next day for the water events. We managed to have over 60 of our own members compete that weekend.

Plenty of laughs were had, great team spirit and good racing. Our workforce and old boys did a fantastic job at hosting the event, managing to score ourselves the role again next season.

In the past 12 months our surf craft sheds were relocated and upgraded in line with the clubs' next stage of development which has been an improvement on access to equipment. This year we have been fortunate to secure new equipment and uniforms through the support of the club and sponsorships. This includes a new competition tent thanks to Hutchinson Builders, an upgrade of gym equipment thanks to the community kickbacks partnership with Rebel Sport, and new CPR competition manikins for our surf rescue section through fundraising. We were also able to purchase more club uniforms from Engine with the help of Vaughn donating Nipper sponsorship money and have recently had a new craft trailer made in partnership with the Nippers. Looking forward to the season ahead where we can put everything into use around the club again.

The full list of competition results for this season can be seen further in the report. Well done once again to all our members for their commitment to training and competition, and their life-saving duties, that have represented the club in competition throughout the season.

Our achievements could not have been made without the fantastic efforts of all our coaches. Our training programs have been a great strength for the club, they continue to encourage participation for all levels of ability in the sessions to develop and maintain skills and fitness. Special thanks to Jason Barker, Geoff Carlin, Kane Haley, Mariah Jones, Rod Jones, Callum Taylor, and our boat sweeps Trevor Bathie, Steve Mavor, and Brian Sullivan for all your hard work. Thank you to all our members for volunteering their time throughout the year to officiate, team manage, assist with workforce, and provide water safety and first aid at events, it is greatly appreciated. Lastly, thank you to the sport committee for working closely with our members throughout the year. All our sport disciplines have seen increased participation in training and competition, particularly in our boats and craft sections. Thank you to all that have and continue to help improve our clubs sport program.

Thank you for another great season  
Leah Jones

## **REPORT FROM THE BOARD & SKI CAPTAINS**

The season had a great start with plenty of training sessions to keep those keen, active and healthy. By Christmas there were even rumours of some of our senior/masters members competing in board and ski events as competition ramped up into the New Year. Of course, no one could have predicted how our lives would change and how quickly we all would have to adjust to very different circumstances, trying to deal with a global pandemic.

Branch titles this session did just scrape in before the pandemic became a reality and it was great to see a number of the masters competing in the craft events with Geoff Carlin, Kane Haley and Brad O'Rourke in the board relay and Iain Rogers competing on a ski in the 3 person Taplin, gaining some valuable points for the club, well done everyone. Competition then ground to a halt as did most of the country and although it's the year we would all like to forget, I feel it will be remembered and talked about for many years to come.

A major achievement this year was the ski and board shed move and the building of some great new racks to safely store the equipment. A big thanks to all those that helped with the move and positioning the ski shed a few steps closer to the beach, greatly appreciated.

As always, we were well supported by the Management Committee over the season and we would like to say thank you to the Old Boys and the Club Exec for their continued support.

The ski and board section has again benefited greatly from the dedication of our club's coach Jason, whose words of wisdom and encouragement have been most welcome. With our club training beginners through to world champions in many areas of surf sports the demand on our coaches is huge, so we are lucky to have someone with the depth of training skills that Jason brings to our club.

Although the global pandemic is showing us how fragile we are, I'm confident we will emerge from this and continue building Australia's best surf club and keep our beach, Greenmount, safe.

Keep an eye on the Grapevine for training times for next season. Training is open to all active members over 15 years of age with a bronze medallion.

Cheers,

Geoff and Brad.

## **BOARDRIDING CAPTAIN'S REPORT**

Boardriders is run as a fairly informal section of the club. We encourage members to join in a social surf on the first Sunday of each month where conditions allow. We are mainly encouraging participation – to get in the water for a bit of fun, but we do attend a number of events throughout the year.

Our season started off quite well with some great results at the Gold Coast Titles across all age groups from U11 to over 50's.

We also managed to take out the team points trophy, narrowly beating Currumbin.

Unfortunately, we were unable to attend any further events, but hope to restart our meetups again as soon as possible.

Brad O'Rourke

## **BOAT CAPTAIN'S REPORT**

It was a great start to the year with renewed interest in the best team sport in SLS. Keen rowers and sweeps and a training boat on the Brisbane river, But what a disappointing end, with No State or Australian Titles, which are our two biggest carnivals.

We had 5 crews representing the club over a number of carnivals this season.

For the first time in a number of years we had representation in the junior ranks, two young crews got on the water in September, recruited direct from Rob Walters School Holiday Bronze squad. Lots of interest and competitive banter was generated.

Junior Girls "Stumpinators" Molly Manahan, Michaela Evans, Jade Somerville, Bridie Newton, Swept by Stumpy, with fill ins covered by Riley Henderson and Amy Hickling

Junior Boys, "Young Guns" Hugh Norris, Eoin Davidson, Cody Douglas, Preston Georgiou, swept by Myself, fill ins Mathew Walkerden and Oliver Paley.

All the juniors had a great time although they only got one or two carnival starts, Tugun and Evans Head. They are all still juniors next year and will be looking forward to a full season of competition.

The other crews participated in carnivals on the Gold Coast, Sunshine Coast and Northern NSW.

Reserves – Todd Webster, James Callahan, Sam Pratt, Jonathon Simon with Sam leaving in early February to join the army. Sweep Sully.

Masters "Wobbygongs" – Craig Sherwood, Greg Ryan, David Bourke, Damien Miller, Myself as Sweep, with Geoff Carlin filling in for a few carnivals and training.

Masters "Schooners" started the season well, but with work commitments and injuries, did not get to race at a carnival. Let's hope they get back on the water next year.– Garry Doyle, Christian Adams, Sean Pinder, Billy Preston, Swept by Sully.

I would like to thank all of our rowers and my fellow sweeps for a great year and for all pulling together.

I would also like to thank the old boys for your continued support and Old Boatie stories (Chirpy). Also Mark Hryczyszyn for being our boat official at carnivals and Norm for fixing bent rowlocks and trailers as required.

Thanks also to Sully for your guidance and support as well as your unbeaten time as Boat Captain. He is the longest serving boat captain at TH&C. 1993-1995, 2003-2019 (20 Years).

See you on the beach soon.

Steve Mavor.

I row surfboats, because it's not about me, it's about my team, it does not matter how hard one of us pulls, if we are not pulling together we are not going anywhere.

## **NIPPER REPORT**

### Season Overview

The 53<sup>rd</sup> season is complete with some brilliant statistics. These highlights cannot be diminished, even though the impact of COVID-19 brought a disappointing end to an otherwise stellar season:

- The club had 349 nippers registered, and 18 of these were under 15's (up from 10 the prior season).
- Maintained the high nipper registrations from previous season. TH&C remained the largest in the Point Danger Branch (PDB). Over the past eight (8) seasons, nipper numbers were:
  - 2012/13 – 139
  - 2013/14 – 178
  - 2014/15 – 207
  - 2015/16 – 211
  - 2016/17 – 220
  - 2017/18 – 270
  - 2018/19 – 343
  - 2019/20 – 349
- 290 age awards allocated
- 32 (new) SRC awards allocated
- 79 of 220 Patrolling members are either u15 nippers or their parents and siblings
- \$80,000 nipper budget
- 4<sup>th</sup> overall in PDB for u11-15's, 3<sup>rd</sup> overall in PDB for u8-10's.
- 7<sup>th</sup> overall in GCCT for u11-15's, 3<sup>rd</sup> overall in PDB for u8-10's.

### Sponsorship

A massive thanks to our sponsors – EXEDY, The Sunland Group, The Mango Shed, Amplimesh, Hitec fluid (Kennedy family), Billy Preston Building, Ordanga constructions (Manahan family) and CONDEV Construction.

### President's Report – Vaughn Thomas

As sad as the finish to our season was, it was still a great season for many reasons. I didn't have any plans on how I would retire as Nipper President, but this way was completely unexpected. There have been some really nice words from many people including our club President, Dave Fuller and Kate Rogers on behalf of the nippers, for which I am grateful and thankful of.

I did know that I wouldn't be disappearing because after 12 seasons I don't think my "TH&C Nipper Sundays" is going to be easy habit to break.

I always looked forward to them. Sure, I started with three kids coming with me, which became two, one and all the way down to none, but I still looked forward to it. I will be there again next season helping in some manner, excited about the new team coming together to take our Nipper club together into this decade. I have always been so busy on Nipper Sundays that I am looking forward to being more social and just doing the fun things I want to do.

TH&C Nippers are a bit of a beast now and you will all drift off and put this report down if I start to thank everyone. There is a list of key people later in this report and for each one I am truly grateful for your contribution. My family has allowed me to put a lot into this charity and I thank them for their love and support.

When Nell finished nippers in 2018/19, I was going to step down but there were some things I really wanted to tidy up. Briefly, these are some of the great things we got done.

- we doubled the size of the Nipper committee. We got new people focused in new roles which worked well, and we achieved some great things which will streamline nippers to the future.
- Every nipper family that wanted to train and compete, and many that didn't, all got roles within our nippers.
- Our coaches largely achieved their new KPI's and with the inclusion of Kane Haley, the sessions were a great success. Sadly, the cancellation of the last two carnivals leaves us without the great results as well.
- Team app became our only form of communication to all nipper families. I'm not sure if everyone got there but we had all the information in one spot.
- We got a permanent raffle spot upstairs that has been managed fantastically.
- We got great numbers of u14's and adults trained in water safety and officials.
- Our Christmas raffle and timezone fundraiser were first class.
- We unofficially supported the RUOK foundation with many of you donating to their great cause.
- We have no required purchases, other than essential uniforms for the 2020/21 season. We have unused fibreglass boards and foamies still in the boxes.
- We have a new board trailer that we are desperate to show off next season.

- We cut off membership in November to help the completion of all our awards and lessen stress on age managers and office admin.
- We got extra room from the club for the storage of our gear and up to the shut down we got our shed 90% in order.
- Morning swim and boards sessions kicked off and were well supported.

We still need your help. There are things we have left undone which needs to be improved. We are looking for talented people to run with these unfinished works next season:-

- getting a website up and running.
- really managing the BBQ roster.
- Securing, promoting and recognising our great sponsors.
- Sign on organised to be all online or paperless.
- getting our carnival nominations all via team app.

- finally finishing our nipper storage.
- getting a team on our slushie machine each Sunday.

#### Acknowledgements

### Presentation Day

Unfortunately due to COVID-19 the Nipper presentation (after the AGM) scheduled for 5<sup>th</sup> April 2020 at the training room was cancelled. The main awards each season are the Russ Freeman Award, Keiran Young Memorial trophy, Club Champion, Tadpole to patrol and age group

#### The Russ Freeman Award – Will Sullivan

The Russ Freeman award is presented to Will Sullivan. Normally it is presented by long-time club member and life-member Bill Catlin. Nominations for the award can come from any age group for worthy recipients who take on responsibilities go above and beyond what is usually expected. Will was chosen for these reasons:

- Supportive of his peers and respectful towards his parents and other adults;
- Respectful to equipment and adults within the club, and knowledgeable of club tradition;
- Assisted age managers for many seasons by signing his peers onto the attendance sheets (he loves a clipboard!);
- Has often helped set-up and pack up tents at carnivals, and carried tents up the beach after carnivals;
- Has performed the role of handler for his peers boards at numerous carnivals over the past few seasons; and
- Agreed to challenge himself, especially two seasons ago when asked to make up the 4th spot in a pool rescue team during the nipper off-season.

#### The Keiran Young Memorial Trophy

Keiran Young Memorial – (L-R) Izzy Boucher, Ava Georgiou, Finn Manahan, Isaac Rogers

Started in 1999, the annual Cameron relay is a celebration of the life of a great Club man – Keiran Young. Liam Young (former club President and Keiran's son) and Barry Young (Keiran's brother) were there to watch the race on Sunday 26<sup>th</sup> January (pictured above). This year, the title was claimed by Izzy Boucher – swim (u13), Isaac Rogers – board (u14), Ava Georgiou – run (u12) and Finn Manahan – run (u11).

The race is held at the start of our final club champs and the teams are randomly selected with one kid from each age group from u11, 12, 13, 14's. The winners get their names on a perpetual trophy, which is a great honour.

### Club Champion – Avalon Haley

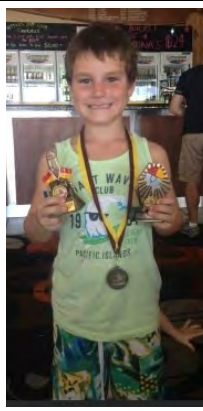

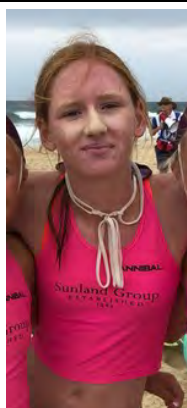

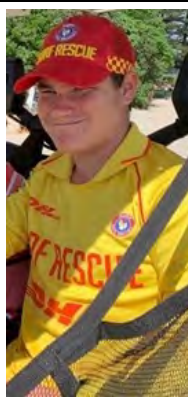

Every week our nippers accumulate points for attendance at nippers, at carnivals, racing in our two club champs and helping with surf safe appeal.

Avalon Haley from under 11's is the Club Champion, and last won this award two seasons ago as an u9.

She is a stand-out competitor on the sand and in the water and was fully committed to mid-week and weekend training sessions. Great job Avalon, very well deserved and thank you for being so encouraging to your peers.

### Tadpole to Patrol

Every year we celebrate our under 14's group becoming patrolling members of the club. The progression of Luka Haley, Ryan Muggeridge, Isaac Rogers and Will Sullivan from tadpole to patrol is especially significant as they have returned every season from 2011/12 as TH&C taddies (under 6 or 7). The Club Patron, Alan Hickling, would normally present this award to the kids.

## YIPS REPORT

Our TH&C YIPS program encouraged all members aged from 13 – 19 to become involved in youth activities organized monthly, stay connected and socialize as a group. We aimed to keep our patrolling youth informed of extra training camps and development programs they could be involved in.

To be involved in the YIPS program, youth had to attend raffles and fundraising activities set out by the Surf Club and by the Youth Development Officer.

Although our season was cut short due to COVID-19, we still managed to run 6 events through the season.

- SEPT 21st—Meet and Greet Bush Laser Skirmish - 33 youth attended

- OCT 25th—Fright Night at Movie World - 30 youth attended

- JAN 11th—Bounce Session – 18 youth attended

- FEB 15th—Trivia Night 17 youth attended

- MARCH 15th—Beach Football and Pizza night - 16 youth attended

The YOUTH BALL and our END OF SEASON CAMP postponed due to COVID-19.

A select few were accepted to attend development camps and programs.

- The Leadership Team for the 2019/2020 Gold Coast Youth Development Program. TH&C had two attending YIPS, Harry Blazer and Isaac Rogers.
- 2020 Youth Excellence Program. Accepted applicants Elise Matusch, Jacob Sands and Sophie Barnett (postponed).

Over the season 7 raffles at the club were run by our YIPS and a supervising parent. Our Trivia night raised \$1275.

This season we introduced Yip of the month awards:

YIP of the month of November – Hugh Norris - also won Branch YIP of the month

YIP of the month of January - Clayton Schilg  
YIP of the month of February – Kate Sands

The feedback from kids and parents was that the YIPS program was as past years, great for the kids and club. It builds friendships and connects our youth from the younger age groups to the more senior youth, helps develop our youth into strong leaders and step into rolls within the club, in the future. It also builds a strong connection between our youth and our club as a whole.

Thanks to all the TH&C YIPS that got involved in this seasons program and for all the parents who assisted.

Sam O'Rourke

## **SUPPORTER'S CLUB REPORT**

The Supporters Club has had a successful year till we encountered the Covid 19 situation and stopped trading in April.

Total Revenue YTD was \$3.24 million with a Gross Profit of \$2.2 million equating to 69% of sales and an Operating Profit of \$505k

Donations to the Surf Club YTD is \$460k

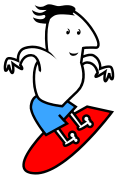

These figures are on par with last years figures

The Supporters Club looks forward to re-opening in June and once again working closely with the Surf Club to help achieve our short and long term objectives

Hope to see you all upstairs soon

Peter Ryan (Ryno)  
President

## **"OLD BOYS" REPORT**

G'day - Chirpy here with our TH&C - Old Boys - Annual Report for 2019/20.

Wow – what a year of surprises we have all just shared at TH&C- SLSC / Greenmount Beach Club at our fabulous Greenmount Beach.

The highlight was a stand out - the wonderful achievement of being recognized as the "Surf Club of the Year for Aussie" – sadly we never really got the opportunity to let that soak in and enjoy the Celebration – so just take a moment now and just let it sink in and enjoy the memory !

Our AUSSIE year was very mixed indeed - starting with the Drought, then horrendous Fires followed by Floods ( Dorothea Mackellar's marvelous Poem - " I Love a Sunburnt Country " comes to mind.)

We were enjoying the New Year and early 2020 - it seems the good times just kept rolling on for our Club at Greenmount – Congrats to all for a wonderful effort this past Season.

Then COVID-19 arrived and our Year / Season was turned pear shape along with Aussie and the rest of the World.

So it was a unique and necessary early Season Closure to met our Nations call for Unity to fight this Coronavirus Pandemic.

This has proven a tough challenge for All in AUSSIE - both from a Health and Economic view point – but true to form – our Nations Leaders and the effervescent Aussie Spirit kicked in and we now find ourselves in a much better position than 6/8 weeks ago.

Indications are we will soon be able to once again resume our lifestyle as we knew it – all be it with some necessary changes – BUT – this period has just reinforced we live in the Best Country in the World ( and throw in the life style we enjoy ) plus our location at Tweed Heads/ Coolangatta at our much enjoyed and loved – Greenmount Beach ( it's great to be an Aussie - huh !! )

OK – moving on to last year – firstly a plug for the O'Boys Association and from my and our Committees view point - a big " THANKS " to our Team for all the effort this past year – it was much appreciated/enjoyed.

Sadly - as with all of us – a number of our key Annual Fund raiser events ( Quickie Pro and Cooly Rocks On – BBQ opportunities ) were understandably cancelled - as were our Sunday

Raffles on "the Deck" - with the closure of our GBC.

We were able to contribute to the Club with First Aid Materials, Resus Equipment and Manikin for our Training Team – to help continue their essential Training Programmes for our Club – keep up the great work Rob W and Co!

Branch Titles - what a great opportunity to Host the Point Danger Branch Titles and Greenmount Beach for the Friday evening - Twilight Beach Events then on the Saturday for the Carnival Water and Craft events. The O'Boys were there with our BBQ providing "Sustenance" by way of Hamburgers, Sausage Sizzle (plus Bacon and Egg rolls on Sat morning for Brekkie) for our Competitors/ Members on both occasions.

Isn't it great to see all areas of the Club doing so well – resulting is a very successful Season on Greenmount Beach and a positive atmosphere in our Club – lets carry this forward for our pending 2020/21 Season.

**Surf Club** – Congratulations to Dave Fuller and the BOM for their efforts this past season in steering the Club through another very successful Season - with Theirs and All's efforts being rewarded with the prestigious Award of – "Surf Club of the Year "

**Nipper Movement** – stand up and take a bow - Vaughn Thomas - what a Stirling effort by you ( plus Tara and Family ) presiding over our Nipper family these past 8 years and growing this essential Surf Club nursery section into the proud strong Group we see today – well done. Take some time to smell the roses - but I am sure there will be another challenge awaiting. Thanks for your enthusiasm, dedication and time over this period.

**New expansion Project** – what wonderful progress we are seeing at the back ( new Front of our Club Building ) . It was timely the essential planning and preparation had been done by Dave F and Team to enable our Building Committee – Dave P and Craig H – to get the "building blocks" organized and arrange for Billy Preston to be in the drivers seat for this next expansion Project.

What a difference we are seeing with the "New Look" of our Club from Hill Street and Marine Parade – with new expanded Storage benefits being provided for all the Club to use and enjoy.

The O'Boys will feature with perimeter Landscape assistance once Dave P gives us the nod.

**And the Project / Building enhancement / Maintenance work** hasn't stopped here – Marty D and Dave P have been very busy vegemites upstairs with Deck / Structural Steel / Table frame maintenance - and Greenery beautification – very nice too.

**Add some substantial Bathroom / Shower amenity upgrades** downstairs for the Surf Club and indeed the Club has been a flurry of activity these past 6/8 weeks – keep up the good work respective Teams!

**Note** – Chirp was invited by Dave F to look at some potential Funding Opportunities for our Club which has necessitated some research into some alternative Solar Hot Water Heating for our Surf Clubs Shower amenities and there is some very interesting options emerging with long term sustainability benefits – stay tuned.

**Solar Power** – one positive to emerge is our Roof mounted 33 kW of Solar Power has been quietly “soaking up the rays” this past 8 weeks - so we should be seeing some financial benefits appearing on our next Quarters Power Bill!!

**Supporters Club** – This is the very important “Funding Centre” of our Club - even more so now - well done to Peter Ryan/ Dave Peate and Committee for another good year with strong Financial Results.

**Greenmount Beach Club** – wait till you get the chance to see all the recent effort put in upstairs – its looking GREAT - well done Marty and Dave P and the Working Bee Team ( O'Boys included ! )

Let me also recognize the efforts of Marty D and Staff for your support this past year and help to us all.

Let's hope we all get to enjoy this wonderful facility we have upstairs very shortly and our GBC Team are back in full swing to support our Club. ( Marty D is also very aware of the challenge that lies ahead to reinvigorate our GBC Venue to attract Folk back and start generating the funds essential for our future. )

**Note** – A big “ thank you” to our Supporters Club / GBC for allowing our Sunday Lunch time O'Boys Raffles – which is where most of our Funds are generated from for our Club – plus hosting our Monthly O'Boys Luncheons – on the first Thursday of the Month – with a steady patronage of 25/30 attending ( and “very keen”

to resume - once cleared to do so by the Authorities ! )

**Old Boys 57<sup>th</sup> Year** – Nov 2 & 3 – 2019 was our AGM / Dinner / Lost weekend last year. We held our AGM in the GBC Function room and had 50 folk in attendance – later we enjoyed a sit down Dinner on “ the Deck “ – very nicely looked after by our GBC and Staff. ( It was great to have Marty Damjanoski and Nathan Irvine ( from our Greenmount Kiosk ) in attendance for the evening – thanks gents - its appreciated you made the time available to join us for our Special Night.

**Sunday was our Old Buffers Surf Race** ( JC – John Cairns won the Swim ) – and later **Bare Foot Bowls** at Cooly Bowls Club. Qld won the Bowls competition ( again ) – with Hon Secretary – Peter Hargrave – ( “Queenslander” and a recent inductee of the “ 70's Club“ ! ) claiming Bowler of the day – roll on Nov 2020 huh !

**Make a note – this years AGM / Lost weekend is Nov 7 & 8 - 2020** - come join us for a fun weekend.( Fingers crossed ! )

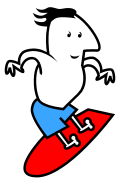

**Monthly Luncheons – GOB-DOT** – this Thursday “institution” is now well established - **let's pencil in July 2 for resumption ??**

We have a nice support group of ladies attending regularly - with changing Menu from our Kitchen and occasionally some “Tasty Surprises”. ( we just need to do something to improve our Monthly Investments in our Lotto on these monthly occasions – perhaps we need to try our hand on the new Flash TAB facility in the GBC Bar area – now there's a thought ?? )

Many thanks to Patron Hick, Sec Peter H, Treasurer ( big brother ) Phil and our Exec Committee ( Brian - Big - Deale, Col S, Mark Ritzy and Spud H ) for your support this past year – its appreciated.

**GOB-DOT** – where would we be without – “the Scribe” – Bronte Bob R and his creative Old Boys Newsletters – this is our very own Communication link - with B'Bob only too willing to get out a GOB-DOT at the drop of a hat if needed – keep up the great work – Please - B'Bob.

A special ‘thankyou’ to my younger Brother Spud ( Tony Hillery ) – plus a hearty congrats on being awarded your TH&C – SLSC - ‘Life Membership’ this year ) who is my / our resident local link plus Raffle coordinator ( plus Auntie Di – acting Treasurer in Pete H's absence ) and general dogs body as needed – thanks heaps Spud.

Also a thank you to both Helens in the Surf Club office for your help and assistance throughout the Season – its appreciated.

We wish the incoming President, Executive and all Office Bearers of the Surf Club a successful Season for 2020 / 21.

Happy days !

## **TREASURER'S REPORT**

The Surf Club has made a profit of over \$429,000 as per our attached audited accounts a sizeable increase of last years \$342,000. Donations from the Supporters Club totalled \$533,600 as compared with \$536,400 last year. The effects of the Covid 19 virus only affected us late in our financial year which ended on the 30th of April 2020, when due to the shutdown of the Supporters Club we did not get a donation for April from them. We had budgeted for approximately \$1 million in operational and donation income for the year just ended and we came very close to this budget and would have achieved this if not the Covid 19 virus shut down of the Supporters Club.

Our available cash funds are limited, as the amounts in the Building Accounts are committed to final payments to be made for the completion of the new shed. Our forward budgets have projected reduced donations from the Supporters Club commencing in July but not returning to those of normal trading until January of 2021. We will manage with these current available funds through some negative months with the support of both the Federal Government's Cash Boost and Job Keeper. Although this next year has been forecasted to be very lean where we will have to be careful with expenditure, we are still in a very good position compared to most clubs.

I again would like to remind members that when they see our net profit of \$429,000 that this figure contains all grant monies received that will have to be, to be acquitted spent on

capital items where they go straight to the balance sheet as an asset ( ie they are not expensed in the profit and loss). The result of this is the net profit does not amount to available funds as the profit has already been spent on these Capital items as directed by the applicable grant or our own contribution towards these improvements.

We have not as yet had to avail ourselves of any deferred loan repayments on our Westpac Loan and we are hoping not to call upon any such assistance. Consequently, our Westpac Loan has been reduced to \$468,791 at the end of the April 2020 Financial Year from the previous year balance of \$590,399 a very good result which could have been even better if not for Covid 19.

Income from Fund Raising as the attached financials show still represents a large part of our budget and it will with the current circumstances become even more crucial to our overall operational budge. I therefore would like to thank all of those involved in these activities and especially the Old Boys who keep putting their hands up to man these fund raisers.

The 2 Helens continue to make my job easy with all the work they do and I would like to thank them for their efforts as without the contribution I do not think I would be able to undertake my role as Treasurer.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2020**

---

The financial statements cover the business of Tweed Heads & Coolangatta SLSC Inc and have been prepared to meet the needs of stakeholders and to assist in the preparation of the tax return.

Comparatives are consistent with prior years, unless otherwise stated.

**1 Basis of Preparation**

The Company is non reporting since there are unlikely to be any users who would rely on the general purpose financial statements.

The special purpose financial statements have been prepared in accordance with the significant accounting policies described below and do not comply with any Australian Accounting Standards unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

**2 Summary of Significant Accounting Policies**  
**Inventories**

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received.

Net realisable value is estimated using the most reliable evidence available at the reporting.

**Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

**Depreciation**

Property, plant and equipment excluding freehold land, is depreciated on a straight line basis over the assets useful life to the company, commencing when the asset is ready for use.

These notes should be read in conjunction with the attached compilation  
report of Fusion Accounting Solutions.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 APRIL 2020**

---

**Impairment of Non-Financial Assets**

At the end of each reporting period the company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss , except for goodwill.

**Cash and Cash Equivalents**

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

These notes should be read in conjunction with the attached compilation  
report of Fusion Accounting Solutions.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 APRIL 2020**

---

**Revenue and Other Income**

Revenue is recognised when the business is entitled to it.

**Rental income**

Investment property revenue is recognised on a straight-line basis over the period of the lease term so as to reflect a constant periodic rate of return on the net investment.

**Interest revenue**

Interest revenue is recognised using the effective interest rate method.

**Dividend revenue**

Dividend revenue is recognised when the right to receive a dividend has been established.

**Rendering of services**

Revenue in relation to rendering of services is recognised depends on whether the outcome of the services can be measured reliably. If this is the case then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period. If the outcome cannot be reliably measured then revenue is recognised to the extent of expenses recognised that are recoverable.

**Other income**

Other income is recognised on an accruals basis when the company is entitled to it.

**Goods and Services Tax (GST)**

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST.

These notes should be read in conjunction with the attached compilation  
report of Fusion Accounting Solutions.

**INDEPENDENT AUDITOR'S REPORT**  
**TO THE MEMBERS OF TWEED HEADS & COOLANGATTA SLSC INC**  
**59 962 048 592**

**Scope**

I have audited the financial report, being a special purpose financial report of Tweed Heads & Coolangatta SLSC Inc for the year ended 30<sup>th</sup> April 2020. The Committee is responsible for the financial report and has determined that the accounting policies used and described in Note 2 to the financial statements which form part of the financial report are consistent with the financial reporting requirements of the Association Incorporation Act 1981 and are appropriate to meet the needs of the members. I have conducted an independent audit of the financial report in order to express an opinion on them to the members of Tweed Heads & Coolangatta SLSC Inc. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements under the Associations Incorporation Act 1981. I disclaim any assumption of responsibility for any reliance on this audit report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. My procedures included examination, on a test basis of evidence supporting the amounts and other disclosures in the financial statements and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 2, so as to present a view which is consistent with my understanding of the Association's financial position, and performance as represented by the results of its operations and cash flows. These policies do not require the application of all Australian Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

**Independence**

In conducting my audit, I followed applicable independence requirements of Australian professional ethical pronouncements.

**Audit Opinion**

In my opinion, the financial report of Tweed Heads & Coolangatta SLSC Inc is in accordance with:

- (a) The Corporations Act 2001, including
  - (i) Giving true and fair view of the company's financial position as at 30 April 2020 and of its performance for the year ended on the date in accordance with accounting policies described in Note 2: and
  - (ii) Complying with Australian Accounting Standards, comprising AASB 1025 "Application of the Reporting Entity Concept and Other Amendments and other Australian Accounting Standards to the extent described in Note 1 and Corporations Act 2001
- (b) Other mandatory professional reporting requirements to the extent described in Note 2

In my opinion, the financial report presents fairly in accordance with the accounting policies described in Note 2 of the financial statements, the financial position of Tweed Heads & Coolangatta SLSC Inc as at 30 April 2020 and the results of its operations and its cash flow for the year then ended.
