FROM THE PRESIDENT

Hello All

Just in case you have been away and not heard we have been awarded the Australian Surf Lifesaving Club of the Year for the 2018-2019 season.

Thanks again to all of our members for contributing to this great accolade. Keep an eye out for some new signage coming our way.

The year is flying by and looking at the numbers we still have a lot of members who need to do their proficiency before the end of the year. Please ensure that you are in a position to attend our session in December or can arrange to attend one at another club to avoid losing your ability to patrol for our club.

We have also got our Patrol Xmas party locked away for Saturday 14/12. It will start around the time of the patrol finishing for the day and be in the training room. We have organised a food truck to cater for the evening and drinks will be provided.

Please RSVP via the office prior to Friday 6/12 for catering purposes and include any special dietary needs. I look forward to seeing you there. There will not be food for people who have not rsvp'd.

We are also working in the back ground to get our website revamped and also some social media activity. Sarah Robinson is heading this up for us and would love members to send in some photos from patrol or competition with a caption beside to be used on these platforms. Please see Sarah's details below.

Sarahjanerobinson@gmail.com

Messenger m.me/sarahjayne.robinsonq

Our building committee have also been working hard and working their way through some red tape and we will all start to see the results of their work very soon. Prior to Xmas you will start to see a difference with the bulk of the project after Xmas with completion around the end of February. These delays have been unforeseen and unavoidable and I thank everyone who is continually moving stuff around for access for their patience. We will get there.

That is all I'll see you on the beach.

Thanks

David Fuller

FROM THE IRB AND TRAINING ROOMS

Hello everyone and welcome to another Grapevine.

Christmas is now knocking at the door and will be on us before we know it, this means that we will all have to have our act together for the forthcoming holidays as it looks like being a very busy one on the coast.

Training wise, we have two squads currently in training, one SRC/BRONZE squad of about 14 people and an IRB Crew squad of 10. The IRB trainees will be assessed on Sunday the 24/11/19, with the SRC/BRONZE squad being assessed on Sunday 8/12/19. This means all trainees will be suitably qualified to perform patrols and irb crew duty over the Christmas period. Darren and Chris have been running the Bronze/SRC group while Jy, Deb and myself are running the IRB group, with considerable help from John Manning and Ben Matusch.

The T H and C Old Boys have come to the party and provided the Training Team with 6 new training Defibs. This takes the number of operational units to 12 and is of great assistance when you consider the size of the groups we are training. Thanks again to Garth McMillan who has given his time to run the Bronze/SRC groups through the First Aid component of the course and enthralling the group with his pictures and stories of his work experiences. Everyone enjoyed this part of the course.

Please remember that the last Club Proficiency day for the year is Sunday 15/12/19 at 8am. You can attempt to do the theory on line,

however we will all be doing the paper version together on the day. There will not be any further proficiency days so it is your last chance if you have not attended yet.

The training team will be taking some time off after the SRC/BRONZE assessment day on the 8/12/19 and will not be resuming training activities until February 2020. We will set some training days and let you know before this.

All 4 IRB,s have been given a proper workout during the IRB training course. All 4 motors are running great, as are the boats. The Achilles needs a new handle and paddle strap and I will be attending to this over the next couple of days.

The boat of choice for Patrols at the moment is the Thundercat Generation 3 craft. We are trying to give the Class 3 boat a bit of a rest. The Achilles is the craft for carnival use and will be carnival ready by the time you read this.

Still waiting for the construction of a new engine flush out tank, but I am assured that progress is being made along these lines so watch this space.

Not much else has happened in the IRB section so I might end the report.

Cheers everyone
Rob Walters.
CTO/IRB Captain.

BOATIES REPORT

Conditions on the beach have been great and the boats have been on the water regularly.

The Reserve grade crew has attended two carnivals with encouraging results.

On the 2nd Nov they headed down to Minnie Water for the North Coast Boat series. The first competition carnival for Sam and James and they enjoyed the racing and had good results.

MINNIE WATER

On the 16th Nov they headed up to Mooloolaba for Navy Series Round 1. They rowed well making the final, in they final they were unlucky at the start being taken out and obstructed by another crew. Ended up placed fifth with the other crew disqualified.

MOOLOOLABA

Sunday mornings at the club have been busy with all crews training, including a Junior boys crew and Junior girls crew now regularly on the water.

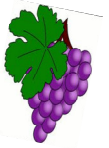

Next carnival will be Navy Series Round 2 at Tallebudgera on the 1st December.

Steve Mavor.

2018/19 AUSTRALIAN CLUB OF THE YEAR
The start of the season has brought some beautiful conditions for some of our new nippers to gain confidence in the water. Our beach can be a very busy place, but we attempt to have systems to manage the large number of people moving through the area as efficiently as possible. These systems only work well when there's people who are interested and put in the time with the more experienced members of the club so we have effective succession planning. We are extremely proud of the recent award of the DHL Australian Club of the Year.

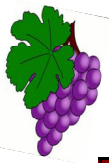

"GAME ON AT TIMEZONE" FUNDRAISER On Saturday 26th October, we held our first ever fundraiser event at Timezone Coolangatta. With over 130 tickets sold, we had many Nipper families and friends join us for a night of pizza, fun and games. We managed to raise \$1300 from the event which was an awesome effort! A big thank you to all of you who came along, and the many people who volunteered to support the evening by assisting with supervision and catering. It was a great opportunity for us to come together as a community away from the beach. We look forward to running another similar event in 2020!

NIPPER RAFFLES - ONLINE ROSTER Every third Saturday night, the Surf Club gives Nippers the opportunity to run the raffles. This is a great chance for us to join the local community and raise some funds! Over \$1100 has been raised since mid-September. This is an amazing effort for just 4 hours work! A big thank you to the Nippers who have helped us out over the last two months. We would love every family to donate one hour of their time to run the raffles. To make it easy to get your name on the roster, simply follow this link - add your email address and phone number to a date that suits you.

<https://volunteersignup.org/CKEPQ>

You can also email nipperraffles@outlook.com. Angela (Raffle Coordinator) will then contact you closer to the time to provide any help you may need. Remember, all we need is ONE HOUR of your time. Every family who volunteers will go into the draw to win a \$100 EFT-POS giftcard at the end of the season.

U11's report

We are very proud of our Under 11 competitors for giving their best and achieving over the two day carnival at Burleigh Heads. Hard work paid off with some wonderful results and valuable experience on sand and in water. The U11 girls had great results with their team & individual events. Some of our girls experienced board rescue for the first time in competition and proudly pushed through to the finish line. Avalon and Shelby showed promise making it into finals for board rescue. Well done Cerine, Elyse, Rebecca, Avalon, Ava & Lily for your great board relay efforts in the water. Special mention to Rebekah for participating in the Ironwoman on Saturday and following up on Sunday coming 2nd overall in U11 girls flags. Our U11 girls beach relay teams were amazing, with both boys and girls from under 11's stepping up into U12 relay teams to lend a hand.

It was great to see how committed the u11 boys were in the team events and a few of the boys stepped up and did their first water events to make some of the teams happen. Big congrats to Patrick and Will who completed their first board relay race and Zane and Will who combined for board rescue. We had a few water finals - Cameron Relay with Luke, Ollie, Fletcher and Patrick (9th), Board Relay with Jaspa, Luke and Ollie placed 14th and Ollie placed 13th in the Ironman. Well done TH&C. Thank you to our wonderful parents who helped out on both days, taking on important roles within the carnival and also supporting the kids between events.

Kerri, Isabelle & Ryan

U12's report

It was great to see the number of 12's participating at the GCCT. It was a long carnival but the kids stepped up by pushing themselves and trying events outside their comfort zone which was inspiring to see. We can really see a huge improvement already from last season and we are only just getting started! Thanks to Jason and Kane for their support on the day, your encouraging words really brought the team together. Congratulations to all under 12 competitors and parents, you all did an amazing job!

"OLD BOYS" UPDATE

G'Day - Chirpy here with the TH&C/SLSC - Old Boys Update !

Wow – what a season thus far – first the TH&C Surf Club Wins – ‘ Club of our Point Danger Branch ’ - then we are in the Final for – ‘ Surf Club of Qld ’ – Achieved - then this entitles us to be considered for - ‘ Surf Club of the year for Aussie ’ – WON - it doesn't get any better than that huh !!

This is both a great Honour and indeed reflection of the hard work by all Members / Committees right across our Club and including our GBC / Supporters Club upstairs – well done President David and Team Greenmount !

We are seeing good numbers on Patrol and all sorts of activities throughout the Club and especially on Sundays with our Nipper contingent occupying our fabulous Greenmount beach !

Our Training Team under Rob Walters continue to power on with the various Squads through for the SRC and Bronze - plus its nice to see the “6 new Training Defibs” getting a good workout on the most recent Squad – thanks to the O'Boys.

O'Boys – AGM / Reunion Weekend – Nov 2 & 3 - We held our **O'Boys - 57th AGM / Reunion dinner** on Sat Nov 2 in the functions Room at GBC with some 38 attendees and a very enjoyable evening. Formalities were dispatched with a minimum of fuss so the evenings bonding objective could continue. Our hosts – Team GBC – provided a beautiful Meal - alternate drops of Rump steak / veggies (just delicious) or Grilled Barramundi / chips and salad – with some cleansing Ales to follow.

Surf Swim – Sunday morning - punctually at 9.30 am saw some 14 members contest our surf annual Swim with ‘JC’ - John Cairns first across the line (nice to see JC back for our weekend – its been a while and worth the road trip from Tewatin – well done to Max Gunny for securing his attendance this year !)

Sunday Barefoot Bowls / State of Origin – we had some 22 members attend and enjoy a very competitive Bowls competition at the Cooly greens. I am very pleased to report that Qld ‘retained’ the interstate Trophy – led very ably by Captain Ian Robb and also Congrats to Hon Sec – Peter Hargrave - who won the Phantom Trophy for ‘Bowler’ of the day!

O'Boys Monthly Luncheon – Thursday Nov 7 - Chairman Bronte Bob Rogers orchestrated the days festivities – sadly numbers were down a little from usual but those attending members and partners enjoyed our Luncheon spread – thanks to the GBC Kitchen - Chefs / Staff !

A special mention to both Nutz (John Spence) and Spotter (Kym Cridland) who extended their AGM stay for the week to attend – well done !

Sunday Luncheon Raffle spot – “On the Deck” – we are seeing these Deck Visitor numbers build as we come into summer proper – as these Raffle opportunities continue to be an important funding opportunity allowing the Old Boys to support the club in a material way with Gear and Equipment, etc !

New Grounds expansion / Storage Shed project – Dave Peate shared the good news with us last Friday night - while having a beer at the raffles - that we finally have the green light to proceed – look out for the pending action planned for this new Club area – exciting times ahead !

Coming Events – O'Boys - please make note for future support please –

- GBC / Surf Club – Friday Nov 22 - Sportsman Luncheon – please add your name to the O'Boys Tables – 16/17 - via the Surf Club office please. (possibly over when this goes to air ?)

- O/Boys Monthly Luncheon – Xmas Lunch on this occasion – upstairs at GBC on Thurs Dec 5 from 11.30 am Qld time.

GOB –DOT Newsletter – Well done again ‘Scribe’ – Bronte Bob - please continue to do your great job with our internal O'Boys newsletter - remember to keep Chirp, Spud and Bronte Bob in the loop for all O'Boys & Club related matters.

Travelling – welcome home to all our Travelers (Aussie and O/S) and bon voyage again to Hon Sec Pete – off to Bali - Owen and Barb back from their around northern Aussie Cruise.

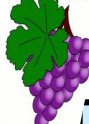

Hick and Trish off to Port Macquarie in their van and welcome back home Carmel and Norm from their Melb trip – just beating those terrible fires in northern NSW.

That’s all for now - safe travels – and “Enjoy” the Beach / Surf and our beaut GBC facilities upstairs !

Happy days
