FROM THE PRESIDENT

Hello everyone

Well the new season has just started and there is so much going on around the place.

Can I start by saying thanks to the volunteers who provided boat crews to the Coolangatta Gold over the weekend. We appreciate your efforts in what at times were ordinary conditions.

There are a few dates that I need to remind you of to put in your diary.

22nd of November is the legends lunch fundraiser

14th of December is the patrol Xmas Party

8th of March is the Club Champs day for Open and Master competitors.

23rd of May is our presentation night

21st of June is our AGM

More information will follow but please lock in these dates if you would like to attend.

The Legends lunch is again promising to be a great day with 172 tickets already sold. This means there is only 28 tickets left so please contact the Helens if you are keen to come along.

Patrol Xmas party will again be in the training room with a food truck to provide the meals for us. More details will follow on this one.

This week is the annual SOS appeal week. We have decided not to send members to Brisbane this year for the first time in a long while but are keen to do what we can locally this weekend. We are allowed to have people at the Strand complex and outside of Reflections in addition to having a tent outside the club all weekend.

Please contact the Helens to advise what time window over the weekend you can assist with and the location. This is a very important fundraiser for us so please help where you can.

We are looking to put together an order for adult swimwear through Kozzi. Please see the attached flyer and contact the office to express your interest. Minimum order quantities exist so please confirm by the end of October if you are interested. This may be the only opportunity this season to purchase adult swimwear.

This weekend we are having a Sale on some of the clubs racing longboards. They are all priced at \$100 for members of the club and we have 10 of them for sale. Please come down on Sunday between 10am and midday if you are interested. The catch being that we do not have the space on site to store them for you so you would need to be in a position to take it off site.

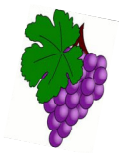

Whilst I am on boards I want to also be able to relocate all of the boards from the board shed nearest to the club entrance this weekend. Please if you have one secured in this area please move it into the new racks prior to Sunday to avoid having the lock cut off.

If you have a surfboard in this shed it needs to be removed prior to the weekend also as any remaining ones will be deemed to have been donated to the club and moved.

You will see the painters are on site painting the rear and ends of the club which represents the start of the building process so keep an eye out as we are still hopeful of starting the build before Xmas.

Once Again welcome to the new season and I will see you in the beach.

Thanks
David

Report from the Deputy President

Welcome to another season on Greenmount Beach.

We have got through the first month of patrols and every patrol group has been on the beach.

There are a few patrols that need more Bronze holders on them. If you are on a large patrol and happy to move, please let the office know.

Just a reminder to patrol captains to set the beach up in the safest place for the public to swim (which doesn't mean to shove it in the corner automatically) as beach conditions continuously change throughout the day.

Just a reminder to all patrol members, as per the manual, to arrive half an hour prior to the start of patrol to set up the arena and check the equipment and that mobile phones are only to be used in an emergency.

Congratulations to all members who have been picked in representative sides, Mariah in the Australian Lifesaving Team to compete in the German and Orange Cup, Chantal & Leah to compete in England in the Commonwealth Lifesaving Championships and Lily, Caillie, Barlow, Cimarron, Jazmin, Michaela & Jake in the Point Danger Branch Representative Team.

Congratulations also to Leah on her appointment as one of the coaches of the Branch rep team and for completing the Mental Health First Aid Course.

Thanks to our members who provided water safety at the Coolangatta Gold, James Callaghan, Dean Iwanuscha, Chris Van Doorn, Greg Ryan, Geoff Palmer, Sharon Leaney, Ben Matusch & Gavin Batchelor.

The weather conditions on Saturday were terrible but some of the crews were smart and wore wetsuits to try and keep warm while the others were just in their rashies and froze. Sunday turned out to be bright and sunny. It was a big effort from everyone, thanks again.

We have already had two carnivals this season being the State Endurance Titles and the Coolangatta Gold where our competitors did the Club proud.

Parking of a weekend and public holidays is for members on patrol only. Please respect that members on patrol take priority from 7.00am to 6.00pm.

Yours in Lifesaving
Rod Jones.

Surf Life Saving Report

Welcome all patrol members to the new season. Great to see the new SRC and bronzies joining patrols, congratulations! Awesome work by all the trainers getting this massive group through.

Just a quick thank you to all the patrol captains who attended the patrol captains meeting to start off the season, I'm looking forward to a successful season with you all.

If you haven't already joined team app, please contact the office for a print out of instructions on how to join. Communication to members will be done through this app as much as possible for consistent contact.

Don't forget the proficiency dates
We will have a bbq brekkie
after each proficiency

Dates: Sunday 20th October
Saturday 16th November

Please don't hesitate to contact me if you have any questions or concerns. My mobile is 0411561691

See you on patrol
Cheers
Jy

FROM THE IRB AND TRAINING ROOMS

Hi Everyone,

Grapevine time again. This last month has flown again and we are starting to line up Christmas. Scary stuff.

It has been a very busy time for the Training Team. During the school holidays we conducted an intense one week Bronze and Surf Rescue Certificate training course 21 SRC candidates and 24 Bronze candidates. This was 5 more than last year and once again consisted of a cross section of mature age learners to junior learners, all keen as mustard to get going.

We put in 5 hours a day for 6 days to get this done and fortunately the weather was great with only one day blown out with a strong northerly wind. We just got out of the water in time for the bluebottles to come in.

Everyone pulled together during the course as we greatly encourage team work when training and by the third day candidates were beginning to show promise which developed into genuine skill by the assessment day.

We had fun playing with the electronic manikins. These manikins (six of them) monitor the chest compression rate and projects the results onto a big screen for all to see. Everyone starts off badly but by the time we finish their performance rate is an average of 95%.

On the third day our resident club Paramedic, Garth McMillan, gave the students a lesson in basic first aid, which is part of the course, and brought with him a flash drive with some pretty explicit incidents of injuries that have occurred to some people and how they are treated. Everyone enjoyed the session and it covered all of the points we needed to address. Many thanks to Garth for this.

Our training IT man, Chris Van Dorn has been tweaking our electronic presentation material and making it easier for us to present this material on the screen. Thanks for this Chris, good work.

We were sure glad that the TH and C Old boys purchased all of those high viz shirts and caps for us, we needed everyone of them during the course, the ocean was a sea of red during training.

The Old Boys have also agreed to the purchase of 6 new training Defibrillators and by the number of people we are training we really need them. The Old Boys do wonders for the Training Department and are always willing to help so thanks again to all you guys, it is much appreciated.

Once again, this intense course was very rewarding for both the trainer and the trainees and we were very proud as to how everyone polished up for the assessment. The assessor for the day was Dereck Baldwin from Tallebudgera Surf Club. Dereck has been awarded Assessor of the year for both the Branch and the State so we can be assured that our trainees were assessed thoroughly and fairly.

We have another Bronze/SRC course scheduled, this course starts on Sunday 27/10/19 then every Sunday morning until assessment day on the 8/12/19. Course commences at 8am Qld time and finishes at 12N Qld time so please register with the office if you would like to attend this course.

We also have an IRB Driver/Crew course scheduled to commence on Saturday 19/10/19 then every Saturday and Sunday until assessment day 17/11/19. Starts at 8am and finishes 12noon. The course may appear lengthy but our aim is to ensure that all drivers/crew are fully trained to handle all conditions you may experience at sea.

There is also a bit of fat built into the course to allow some time out for life. These courses are fun so book your place at the office if interested.

Our third proficiency happens this Sunday, 20/20/19 commencing at 8am Qld time.

Dear Bob,
Thank you so much for
putting in all your time
to teach and help us
this week. We have learnt
so much thanks to you!
From,
Hayley, Molly, Bridie, Riley,
Jade, Megan, Hugh

IRB STUFF.

We finally received our new Generation 3 Thundercat IRB and we are quite happy with it. It is larger than the Generation 2 model and not near as flighty to drive. This brings our rescue boat fleet to 4 boats and 4 motors, all fully operational.

We are hoping to have a new and easier to operate motor flush out tank made soon so watch this space. The IRB room is now the Patrol Shed with everything in place there. Two boats are now stored overhead with two ready to go on trailers. The power winch has also been installed in the Patrol Shed for lifting motors on and off the boat.

Please keep in mind that when using the Class 1 boats (Achilles, Gen 2, Gen3 Thundercat) that the craft are to be put onto the sand and the trailer taken back to the shed. Only the Class 3 boat (cat hull) can remain on the trailer on the beach. This is an SLSA requirement, not a local one.

That is about all for now, see you at the Club.

Rob Walters
CTO/IRB CAPTAIN.

UPCOMING COURSES

BRONZE MEDALLION / SRC @ TH&C SLSC

Commencing Sunday the 27th of October 2019
then every Sunday until the Assessment on Sunday 8th December 2019
Sessions—8am to Midday Qld time.

IRB CREWIES & IRB DRIVER COURSES @ TH&C SLSC

Commencing Saturday 19th October 2019
then each Saturday & Sunday until the Assessment Day Sunday 17th of November 2019
Sessions 8am—Midday Qld time

Please contact the office ASAP to register for any of the above courses

GOLD MEDALLION AWARD & PROFICIENCY @ TH&C SLSC

Saturday 9th November 2019

Please contact the office for prerequisites and RSVP link prior to Sunday 24th October.

OFFICIALS COURSE @ TBA

Wednesday 20th November 2019

Please contact the office ASAP for the link to RSVP

**All members who register for a course will need to have
a Unique Student Identifier (USI) number.**

(You only need to do this once)

Please visit www.usi.gov.au and have some form of ID handy to set up your account.
e.g. Drivers Licence, 18+ card, medicare card, birth certificate or passport.

As part of setting up your account, please give permission for SLSQ to view your details and transcript; the organisation code is 2804 and the organisation name is Australian Life Saving Academy.

Once you have your obtained your USI number, please provide your number
to the office to be added to Surfguard.

The USI transcript will enable you to see all the competencies and qualifications you have achieved
through any Registered Training Organisation.

CYRM — Child, Youth Risk Management

All Patrol Members, Water Safety, Officials, Nipper Age Managers and Helpers etc,
18 years and over are to complete the CYRM,
(if not already completed, only needs to be done once).

Please visit <http://www.slsqpointdanger.com.au/portal/>

User - cyrm

Password - member1920

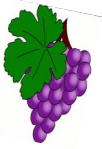

Please contact the office on 5536 6901 to register for any of the courses above
or for further details

PROFICIENCY DATES

Sunday—20th October—8am Qld Time

Saturday—16th November—8am Qld Time

**The theory component consists of 13 questions
and will be completed as a group during the proficiency.**

BOARD & SKI REPORT

Training with Jason is back in full swing – please refer to the latest schedule for times.

Competitors please check the TH and C Surf Sports App for entry deadlines. Contact Leah or the office if you have any queries on upcoming events.

As you may have noticed, the new ski and board racks have been completed. We are still very tight on space until the new shed is built out the back, so please remove any gear that is not completely necessary.

There are still a number of surfboards and paddleboards left in the old senior board room – these need to be removed immediately as the remodeling of this area will begin any day. If your gear is left when the work begins, locks etc will be cut and it will be removed. The club will take all possible care, but is not responsible should any damage occur. Please contact Dave Fuller or myself if you have any queries.

Cheers,
Brad

BOARDRIDERS REPORT

Hi All,

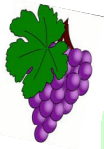

There has been a few small waves around in between the onshore days. We continue to meet on the first Sunday of each month for a social surf. Be ready to hit the water by 6.30am if your keen.

Entries are now open for the Gold Coast Titles to be held at Palm Beach on November 23 and 24. Usual carnival entry criteria apply.

If you would like to enter, please let the office know ASAP. We would like to get some teams organized for the one too so the earlier I know who is keen the better. The carnival info will be posted on the Boardriders Team App.

If you have any queries, please let me know.

Thanks,
Brad

CLUB NOTICEBOARD

MEMBERSHIP RENEWAL FOR THE 2019/20 SEASON

A reminder, if you have not renewed your membership, your insurance has ceased and you are unable to use the Club's facilities, equipment or attend patrols or training.

Please contact the office if you need to renew your membership.

QUEENSLAND GOVERNMENT SPORT & RECREATION FAIRPLAY VOUCHERS

The "FairPlay" funding enables children and young people to apply for a voucher to help pay the cost of membership and / or participation fees.

Eligible applicants are Queensland children and young people from the age of 5 to 17 who either:-

- Hold or whose parent, carer or guardian hold a valid Department of Human Services Health Card or Pensioner Concession card with the child's name on it; or
- Are identified by a registered referral agent; or
- As part of a limited trial, families with a combined household income of less than \$55,000, who do not hold a Health Care Card or Pensioner Concession Card, can register an E.O.I for a FairPlay voucher

SUMMER OF SURF ROUND 1

Water events
U/15—Open

NIPPERS

WELCOME TO THE NEW SEASON! TH&C AWARDED QLD "CLUB OF THE YEAR"

Thanks to our returning families for coming back to join us on the beach, and a warm welcome to the new families to our club. We hope you enjoy your experience with TH&C. The staggered age group induction sessions went well, giving age managers the opportunity to greet new nippers and hopefully provided an easier introduction to our processes and systems.

A massive thank you to Karl Muggeridge, Brad O'Rourke, Glenn Turner, David Fuller, Doug Kordis and Iain Rogers who helped re-organise the nipper board shed, taking shape as part of the wider club upgrade and expansion. This provides us with improved functionality of racking, allowing the boards to drain and dry out after use. Please continue to encourage your nipper to care for the gear and wash all sand off boards after use. If there is any damage to boards, please advise Karl Muggeridge, Gear Steward, ASAP.

TRAINING

Our surf and beach coach training has already been on for 6 weeks, and we've seen many new faces making the most of this wonderful specialised coaching, provided at no extra cost to families. This season we have introduced the opportunity for nippers to complete a goal setting plan so that they can articulate what they might like to achieve and how they might make that happen. Please check it out on Team App and submit via email to the coaches and the club office.

SURF RESUSCITATION CERTIFICATE

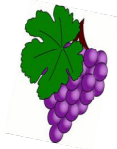

Congratulations to those u14's who were awarded their SRC on 6th October. The whole club is very proud of you all. At Nipper Sundays, u14's with SRC remain as nippers having fun, due to our great water safety. Some of you have already done your first patrol!

We are encouraging the u14's to perform water safety at mid-week training, especially with the younger age group on Tuesdays and Thursdays. Some of the comments after the course are:

*It was a good experience, a lot of fun and now I can be on patrol with friends and family - **Jordan Free***

*I have really enjoyed spending the last week of my holidays participating in the SRC course. I have learnt so much and it feels great to have the knowledge to potentially save a life. I am truly excited to start patrolling! - **Amali Kordis***

IMPORTANT DATES

17th NOV u8-10 Little dudes carnival
@ Kirra SLSC

CARNIVAL REGISTRATIONS VIA TEAM APP

This season we have moved towards using Team App for many club organisational activities. This includes parents being able to nominate their child for event/s at carnivals. This is an easier way for the age managers to be able to record who is willing and eager to attend. Please use team app for this purpose. If you don't know how to, we'd prefer that you ask for help as we are willing to smooth the transition.

We understand that there are some nippers who would prefer not to participate in the water events. However, it's important for parents to understand that this means more down time between events for those kids who don't do both water and sand. It can also sometimes mean the age manager has to juggle names.

RATIO OF NIPPERS TO OFFICIALS

Our club is still struggling with the number of officials (1) we must provide at a carnival for the nipper entries (10). Many of our current officials hold multiple roles. If they are an age manager, they can't be an official at the same carnival. **WE REALLY NEED A FEW MORE PARENTS TO UNDERTAKE THE OFFICIALS COURSE.**

Otherwise we are going to be forced to say no to some nippers who would like to try a carnival. This is the worst-case scenario for our club!

NEW MERCHANDISE

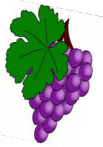

We have new gear for sale and it would be great to see parents at carnivals also wearing the long-sleeved TH&C t-shirts and using the club umbrellas for shade protection to the kids.

COOLANGATTA GOLD

Congratulations to Amali Kordis, Shakyah Jordan in u14's, and Jai Kordis and Dan and Matt Holdway in u12's for undertaking the Coolie Gold Youth challenge on Sunday 12th October. Great effort for giving it a go!

COMING PREPARED FOR NIPPERS

As we have **THE** best beach, we want to spend as much time as possible in the water getting your nipper confident and teaching them skills for life. It makes it much easier for them to swim if they bring goggles. Please come prepared every Sunday, so they are not trying to swim with their head above water – this makes it super hard for them and takes a long time!

NIPPER RAFFLES – MAKING \$\$'S

A big thank you goes to Hugh & Chuck Norris and Preston & Ava Georgiou who recently did the raffles on a Saturday night and made \$480 for the Nippers in one hour! What an amazing effort. Thank you so much. This money goes towards purchasing new boards, maintaining equipment and paying coaches.

A few people have asked how to get their name on the roster. You can get a few families together and share the fun! **These are dates needing to be filled for the season:**

- 28th December 2019
- 18th January 2020
- 8th February 2020
- 29th February 2020
- 21st March 2020
- 11th April 2020

To put your name down for one of these dates, text Angela Morrison on **0419 197 627** or email nipperraffles@outlook.com. All we need is ONE HOUR of your time – we will give you all the help you need if you haven't done it before. Every family who volunteers will go into the draw to win a \$100 Eftpos gift card.

TIMEZONE FUNDRAISER 26TH OCTOBER

You are all invited to come and join in the fun at Timezone Coolangatta from 4pm to 8pm (AEST) on Saturday 26th October. Earlybird tickets are \$30 (plus small processing fee) and tickets at the door are \$35. Ticket includes:

- unlimited standard games
- unlimited ticket games
- 1 x laser skirmish
- 1 x dodgems
- 1 x mini rider 2/3D
- 1 x Typhoon Simulator
- pizza & popper drink
- lots of fun!!

There are only limited tickets available so BUY ONE TODAY! To pre-purchase your ticket, go to www.eventbrite.com.au and search for the event (Game On at Timezone), location (Coolangatta, Qld) and date (Sat 26 October), then hit the orange search button, click on the event and purchase. It is that easy!!! You can also click/copy this link to the ticket selling page:

Please see back of flyer for information on purchasing your ticket.

YIPS REPORT

The TH&C Youth Involvement Program is in full swing for the new season. All YIPS events are open to Under 14's – Under 19 members. Thanks to Cassie and Jy who have done a fantastic job for the last few years. The YIPS program at TH&C is great because of their hard work and enthusiasm.

Thanks to all our YIPS who have run the YIPS raffles the past few months. Our next YIPS raffle date will be listed on team app. Every YIP participating in our events also needs to contribute to fundraising.

A big congratulations to all YIPS who either completed their SRC or BRONZE in the holidays.

We've rolled into the new season with our first event BUSH LASER SKIRMISH at Pioneer Country. Thanks to James & Carmen Sullivan for providing a great venue for our first event. We had 34 YIPS attend and all had a great afternoon.

We have numbers finalised and tickets booked for our next YIPS event, Movie World's Fright Night, on the 25th October. 30 YIPS will be attending, looking forward to a terrifying night!

Please be reminded that applications are now open for Participants and the Leadership Team for the 2019/2020 Gold Coast Youth Development Program. For more information see details on team app or contact the office. Please note that applications close **COB Thursday, 31 October 2019**. It would be great to see some TH&C members taking advantage of these great opportunities.

All our YIPS upcoming events will be listed on the TH&C team app under EVENTS.

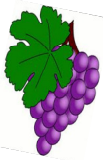

Get involved and have fun!

Sam O'Rourke
TH&C YIPS coordinator.

"OLD BOYS" UPDATE

G'Day - Chirpy here with the TH&C/SLSC - Old Boys Update !

Our new Season - Patrolling Greenmount Beach - is now well underway with lots of preparation behind the scenes by many to enable same.

Beaut to see the great numbers on patrol and all the gear to support same - having being prepared / overhauled in the winter period.

Hats off again to our Training Team under Rob Walters to get the various Squads through for the SRC and Bronze- plus a full on-going schedule on the calendar up to Xmas and beyond.

O'Boys Monthly Luncheon – Thursday Oct 3 - what a great turnout for those who attended our October Luncheon – some 31 members and partners enjoyed a beaut Luncheon spread – thanks to the GBC Kitchen Chefs / Staff !

Sunday Luncheon Raffle spot – “On the Deck” – great to see some new O'Boy Faces supporting this weekly event which continues to be an important funding opportunity allowing the Old Boys to support the club in a material way with Gear and Equipment, etc !

TH&C – SLSC Celebration BBQ / Greenmount Clubhouse – Sat Sept 7 - what a special evening we all enjoyed to Celebrate the achievement of being selected as Club of the Year for Qld – the O'Boys were pleased to support our Club by running the BBQ and providing all the BBQ Food for our Clubs evening – well done TH&C !!

New Grounds expansion / Storage Shed project – great to learn the Approvals are now in hand to enable the start of this exciting Club expansion to enable more room for all sections due to our on-going growing pains.

Have you noticed the extra spring in Dave Peate and Craig Hickings step in recent days – awaiting for the “Action “ to commence ! (woops – painting has started out the back of the Club as preparation for the new Screening wall - as I understand)

Pedro, Mick and Baz at our TH&C SLSC Celebration BBQ !!

Have you noticed the extra spring in Dave Peate and Craig Hickings step in recent days – awaiting for the “Action “ to commence ! (woops – painting has started out the back of the Club as preparation for the new Screening wall - as I understand)

Coming Events – O'Boys - please make note for future support please –

1. O'Boys AGM / Reunion Dinner – Sat Nov 2 & Annual Surf Swim and Barefoot Bowls – Sun Nov 3.
2. O'Boys Monthly Luncheon - upstairs at our GBC on Thurs Nov 7 from 11.30 am Qld time.
3. GBC / Surf Club – Melbourne Cup Day – Tues Nov 5 – Upstairs – Book early please !
4. GBC / Surf Club – Friday Nov 22 Sportsman Luncheon – please add your name to the O'Boys Table – 21 - via the Surf Club office please.

GOB –DOT Newsletter – Well done again ‘Scribe’ – Bronte Bob - please continue to do your great job with our internal O'Boys newsletter - remember to keep Chirp, Spud and Bronte Bob in the loop for all O'Boys & Club related matters.

Travelling – welcome home to all our Travellers (Aussie and O/S) and bon voyage again to Errol and Lynn – off to Europe plus - Owen and Barb on another Cruise - around Aussie this time to Fremantle. Rumor has it Kenny Carpets and Maree went all the way to Perth to have a Beer with Shane and Di – the extent some folk go is remarkable huh ???

That's all for now - safe travels – and “Enjoy” the Beach / Surf and our beaut GBC facilities upstairs !

Happy days
