### FROM THE PRESIDENT

Hi Members

It is certainly carnival season and congratulations to all of our junior and senior competitors who have been representing our club so professionally and with great results across the board.

Good luck also to those who are now setting themselves for the State titles coming up this month.

On behalf of the competitors I also send our thanks to all of the officials and water safety personnel who have helped our teams to compete.

I sent an email out with some important dates for the club so I hope you have noted these.

Saturday 13/3 is our 110th birthday and we will be celebrating. Our Nippers will have competed at States that day and will be returning to the club from around 4pm and then we are inviting all members to join us from around 6pm.

The Old Boys are providing a BBQ dinner with burgers and sausages available for all and drinks will also be available.

Please feel free to come along as we will be looking back over 110 years at the club and we are hoping to have a lot of our life members there to share a yarn or two.

Sunday 21/3 is our Club Championships and all bronze medallion holders are invited to come and enjoy our friendly fun carnival just for our members. Whilst it will be fun there will also be awards for the victors at our presentation night this year.

Saturday 5/6 is our annual presentation dinner. If you have not been before this is open to all patrolling and committee members and their partners. Dinner is provided with a drink package for \$40 per adult and \$20 per child.

At this dinner we recognise all of the efforts of our patrolling members and our competitors throughout the year.

Please put this one into the diary and I am sure we will be calling for rsvp soon.

Sunday 20/6 is our Annual General Meeting where we look at the year in review and also appoint 50% of the Board of Directors for the next two seasons.

The roles for season 2021-2022 & 2022-2023 that will be decided on at this meeting will be as follows: President, Secretary, Surf Sports, Properties and Amenities plus all committee positions that renew annually.

Please if you have any interest in looking at becoming a committee member or Director see myself or the office for more information.

Information re closing dates and an agenda will be sent in due course.

I look forward to seeing you on the beach or as part of the cheer squad at the carnivals coming up this month.

Regards  
David Fuller

# FROM THE IRB AND TRAINING ROOMS

Hi everyone and welcome to another Grapevine.

After a long process due to unforeseen circumstances (including closed beaches and unavailability of outside assessors) we managed to finalise the majority of the last Bronze / SRC Course. We still have two very patient members waiting for their final assessment. Thank you to everyone who was involved in these courses.

Please contact the office ASAP if you are a proficient bronze holder and would like to do your IRB Crew award or if you are 17 years and over and hold your Bronze and IRB Crew certificate and are interested in doing the IRB Drivers course.

We need to have a list of names before we can apply to run the courses.

IRB STUFF.

Good grief, plenty to report regarding IRB,s, none of it particularly positive either.

All four Outboard Motors had a thorough service performed on them a week ago. Upon inspection by the Mechanic it was found that one motor had the "flush out bolt" removed for engine flush out but was not refitted. This was later found sitting on a plastic bin in the shed. Had the engine been run without this bolt fitted it would have overheated and seized because the water pump impeller would not operate in the absence of this bolt. Fortunately it was discovered in time. The bottom line is do not remove this bolt under any circumstances, use the water tank for flushing the engines after use.

Also we are not using the "Rabbit Ears" flush system any more as on far too many occasions the ears have been left on the motor. The last occasion was a couple of weeks ago where the ears were left on and the motor was started and attempted to run. The driver was wondering why the motor would not accelerate. The noise it would have made should have been a big give away as the propeller mangled the rabbit ears, deeply gouging the prop guard. Fortunately the rubber bushing in the propeller must have slipped and this saved the motor from major damage. Once again, use the water bin to flush out the engines.

Accidents happen, like a rollover, please report this and note in the IRB log of operations. on this occasion this was not done.

The book now indicates that you only have to run the motor for one hour after a submersion to remove salt remnants so please follow the restart procedures as per your training and spray with plenty of WD40. WD40 is applied with the pump bottle on the shelf, with back up in a 4 Ltr container above the fuel cabinet. We no longer use the spray cans.

Speaking of the IRB log of operations, I went through all the entries for quite a few months and noted very few entries of faults, even though I knew of them and the motors tagged. Please put in the relevant information regarding problems so as appropriate action can be taken. Good example of this was last weekend the tilt lock pin was broken on one of the motors. Newly qualified IRB Driver Sharon Leaney wrote a comprehensive report in the log which provided me with all the information i required and what corrective action she took regarding this. Good work Sharon. I am ordering a new tilt lock pin.

The most common problem we are having with the motors is due to the wet weather and humidity the Carburetor butterfly chokes are seizing up. Attempting to start an engine in this state results in flooding of the motor. If the choke lever does not operate, please do not force it as you will bend the shaft, resulting in the Carburetor being unserviceable as parts are not available. Please report the fault and I will fix it.

Could all IRB drivers and crew please pay closer attention to pre-operational and post-operational checks. If you have youngsters helping you that are not trained as crew or driver please oversight them as their enthusiasm could sometimes exceed their ability and things could be missed..

That's it for now,, take care everyone.

Rob Walters  
CTO/IRB Captain.

# BOATIES REPORT

Training is ramping up with State Titles just around the corner. We have had a couple of carnivals since the last grapevine.

On the 13<sup>th</sup> February the junior crews had a hit out at Noosa for the Youth carnival. This was for U19 and U23 crews only and was a fun day. No swell and choppy conditions, so rowing was tough.

Both the Stumpinators and the Young Guns performed well. The Jnr Boys, Young Guns just missed out on the final and the Jnr Girls, Stumpinators made it into the final. Both crews are improving and looking forward to State.

The following weekend on the 20<sup>th</sup> Feb was Navy round 3, scheduled for Tallebudgera, but moved to North Kirra due to the conditions.

Sullys masters crew, Schooners took on the conditions and rowed well making the final and finishing 3rd. Sean, also did some extra training and completed a 2<sup>nd</sup> proficiency swim, great work for a boatie.

Sully also took a mixed Jnr crew as I could not make it. This crew consisted of two fill in rowers, looking for their first carnival start, and they definitely got a great introduction to surf boat carnivals. Hope you enjoyed it Ziggy and Clayton and thanks also to Michaela and Cody for making up the crew. They got two races in before breaking a sweep oar.

See you on the beach.

Steve Mavor

# NIPPERS

## APPROACHING THE FINISH LINE!

February was a very busy month for all things Nippers, with carnivals being rescheduled due to inclement surf and weather conditions. There were many adaptations required – dates, venues programs and timeframes for events and some flexibility around team changes based on this – and the Nipper Committee thanks everyone involved for helping facilitate these changes as smoothly as possible. There have been some very gentle conditions on a few of the Nipper Sundays, providing for a more relaxed water safety environment, and allowing the kids to spend a lot of time in the smaller surf on the boards. It's less than 2 weeks to the finale of the State Youth Champs at North Kirra on 12-14<sup>th</sup> March, where our Nippers race against the best in Queensland. Nipper Presentation day is on Sunday 21<sup>st</sup> March, where we give thanks to our volunteers, celebrate the achievements of the Nippers in their respective age groups for points accumulated throughout the season, provide awards for effort/attitude, good sports and encouragement, acknowledge our major awards of overall club champion, the Russ Freeman award, the Keiran Young Memorial relay winners and Tadpole to Patrol (9 years of Nippers for a few of our u14's who display longevity and the love of the sport to go the distance).

## PDB BRANCH CHAMPS u11-14 ON 6<sup>TH</sup> AND 13<sup>TH</sup> FEB 2021

Split over 2 weekends and 2 clubs, North Kirra for the beach events and Tugun for the water event, this change brought its own challenges but allowed many people to watch more racing rather than moving constantly between different arenas. TH&C finished in 4<sup>th</sup> place overall, with 265 points, behind Tugun (544 pts), Currumbin (508 pts) and Tallebudgera (279 pts) and again the club is solid in points scored on the sand. This is an improvement from TH&C's 2019-20 total 176 points, with an increase in the water points gained from last year, so well done kids and coaches.

### Some of the State qualifiers in restricted events were:

1-2k runs: Molly Rogers u11 (5<sup>th</sup>), Zeke Zimmerle u13 (4<sup>th</sup>) and Tahlia Wellman u14 (2<sup>nd</sup>).

Special mention goes to those nippers who step it up at carnivals, doing extra water events to help other age groups fill teams – these kids are: Sooke Paley, Molly Rogers, Jesse Wellman, Avalon Haley, and Ollie Muggeridge, and a big thankyou to the very capable u10s – Evie Barker, Luke Holdway and Henry Alford (all with older siblings), who helped form solid u11 teams.

### **PDB BRANCH CHAMPS u8-10 ON 28<sup>TH</sup> FEB 2021**

Our youngest competitors have finished their season strongly, with TH&C 3<sup>rd</sup> place overall (151 pts), close to Tallebudgera 2<sup>nd</sup> (158 pts) and Currumbin 1<sup>st</sup> (188 pts).

#### **U8 AM report – Katrina Taylor**

The 12 x U8s nippers certainly brought their A game to this carnival in behaviour, sportsmanship and athleticism that not even the insane heat could stop. It has been so fantastic to see how far these nippers have come in their first season competing.

A big thank you to all the parents, officials, coaches, age managers and water safety from TH&C involved. Great parent preparation too with shade, snacks, drinks and support. Super proud age manager, I hope to see them all the nippers back next year and look forward to adding the swim and boards. Well done TH&C.

A big thanks to the coaches, Callum, Jason and Kane for helping to prepare the kids in the lead up, and for giving great advice and a calm word on the day. The kids who have regularly attended training are starting to reap the benefits of the skill progression developed through consistency.

Thanks also to Rod Jones and Vaughn Thomas for officiating duties – we are very lucky to have these experienced people continuing their contribution to the benefit of the club younger members.

#### **NIPPER BOARD COLLECTION FOR END OF SEASON**

If your child owns their own nipper board and stores in the nipper shed, it would be appreciated if you could please collect it after State Titles and store at home during the off-season. For those current u10's moving onto fibreglass boards in 2021/22 season, there is likely to be a few boards coming up for sale. Dan Wellman, the Gear Steward, will have some foam boards for sale from \$90 on Sunday 21<sup>st</sup> March at the AGM and Presentation day.

*Callum Taylor with u10 A and B sprint relay teams*

## KEIRAN YOUNG MEMORIAL CAMERON RELAY

Congratulations to the winning team of Wallace Thompson and William Turner (run), Ollie Muggeridge (board) and Matthew Holdway (swim) who took out the annual memorial relay on Sunday 31<sup>st</sup> January. Liam Young, with his u6 son Keiran, were present to watch the race.

*Liam Young (u6 taddie Kieran) with Ollie Muggeridge, Matthew Holdway, Will Turner and Wallace Thompson.*

### TRAINERS OF THE MONTH

Nipper trainers of the month DECEMBER are:

Charlie Rust (u9), Maj Bando (u10), Phoebe Rogers (u13) and Connor Davidson (u14).

Congratulations for your effort, consistency, improvement and hard work ethic.

### NIPPER RAFFLES – MAKING \$\$\$

We need more names on the raffle dates allocated to Nipper club. All funds raised go towards purchasing new boards, maintaining equipment and paying coaches. Patrons love giving money to Nippers. Take a few of your friends and share the fun, providing one parent is in charge!

Secure a date in advance by texting Angela Morrison on **0419 197 627** or email **nipper-raffles@outlook.com**. It takes 1.5 HOURS of your time – you will be given help if you haven't done it before. Every family who volunteers will go into the draw to win a \$100 Eftpos gift card.

### VOLUNTEER ROLES

On Sunday 21st March at 9am Nippers will hold an AGM where all committee roles will be vacated and people are able to nominate for positions. If you are interested in being involved in making good decisions to guide the club in future years, we'd love to hear from you. Please get in contact with Karl Muggeridge on 0408 010 385 to have a chat. This Sunday 7th March, there will be flyers available from age managers, with an outline of the roles available and the requirements (i.e. what training you will be provided with in the role).

### STATE BOARDRIDERS 16-17 JANUARY

TH&C fielded the highest number of competitors that the club has ever entered in a board riding event, at Miami SLSC – the venue of this year's State board riders competition. TH&C won the handicap points score. This competition is for u11's and older, so if you have a Nipper keen for a surf board riding competition, please keep them surfing throughout winter. You can also request to join the TH&C board riders group through team app, managed by board riding captain Kane Haley. Board riders generally meet for a surf the first Sunday of every month, at around 6am for a paddle together somewhere local.

### STATE TITLES

Best of luck to all the Nippers who have qualified in restricted entry events for the Nipper State Titles, and for those kids who are giving it their best in individual races. We hope some families can join the team for dinners back at the club, on Friday 12<sup>th</sup> March and Saturday 13<sup>th</sup> March where achievements of the day can be celebrated.

# "OLD BOYS" UPDATE

Wow – the year is flying – it’s March already - Chirpy here with the TH&C/SLSC - Old Boys Update

How good is the Ocean at Greenmount right now – still like bath water plus nice and clean again after all the rain – those morning swims to Cooly are just beaut.

Great to see all the activity continuing on Greenmount Beach with lots of Nipper activity plus Club Training, etc, during the week.

Also nice to see our two Boats out training again plus attending Carnivals - north and south - to get that essential Competition experience.

Same happening for all our Club Members - Competing in Branch and the State Titles just around the corner – good luck to ALL and remember to have “ Fun “ !

**Activities** – Jan / Feb were enjoyable times for the O’Boys with our Sunday Raffles – on the Deck – Monthly Luncheons - and Friday nights “bonding sessions” at the GBC Raffles.

We also had a “working bee” to tidy up the Garden area we planted during COVID\_19 lockdown and grass areas adjacent to our new Club Front area – thanks to those who attended – good effort and a good job !

**February’s GOB-DOT Luncheon** saw 26 Lads and Lassies attend on Thursday Feb 4 - good to catch up – plus we welcomed back long time Surf Club / O’Boy Member – Peter and Fay Johnson down from Brissie for the Day – Peter’s 60 years Celebration since joining TH&C – SLSC.

**Special Occasions** – we had two significant Member milestones in February -

- **Carmel and Norm Mavor’s – 50 Wedding Anniversary – and**
- **Errol Wright turned the Big 80 -** Congrats to All !

**Surf Club Donations** – the O’Boys were pleased to donate the Funds to cover the new Mobile Paddle Board Trolley to help with a more efficient “wash down” of our gear on return from the Beach - nice fabrication work by Glenn T. (photo below)

**Coming events -**

- **Thurs Mar 4 – 11.00 am ( Qld time )** – is our next - **GOB-DOT Thursday Luncheon** at the GBC – we hope to see you there !
- **Sat Mar 13 – 4.30 / 6.30 pm ( time – TBC )** – **O’Boys BBQ / Sausage Sizzle for our 110<sup>th</sup> TH&C – SLSC Big Birthday Bash** – hope to see you all there !
- **Sat Mar 20 – 9.00 am - TH&C – Review and Planning Meeting** at the Club.
- **Fri/Sat/Sun Nov 5,6 & 7** – O’Boys ‘Lost weekend’ – ie AGM / Reunion Dinner and Bowls weekend - hope to see you there ! ( yep - getting in early )

**Sunday Luncheon Raffle spot – “On the Deck”** – we are enjoying good patronage for our Sunday lunchtime Raffles this year to date ( with our Bronte connection of Bob R and Ron Y leading the way ! ) – so if you want to help – put your hand up – so hope to see you soon - ‘on the Deck’.

**GOB-DOT Newsletter** – Well done again ‘Scribe’ – Bronte Bob – thanks for being the O’Boys News conduit plus in the Chairman Role for our Monthly GOB\_DOT Luncheon gatherings ! Remember to keep Chirp, Spud and Bronte Bob in the loop for all O’Boys & Club related matters and general ‘scutter bug’.

**Travelling** – Dave and Dale P off to Scotts Head – or near by ?? – in their van for a family reunion – Phil and Sandy H off to Moore Park / Bundy with the Men’s Shed Crew – Enjoy !

**Not doing so well** – good to see Owen Outram and Frank J out and about and on the mend plus a big hello to Jordo after his “fall” and resultant broken wrist – buggar.

That’s all for now – keep safe – “Enjoy” the Beach / Surf when you can – along with a nice cool bevie upstairs after at the GBC.

Happy days
